A night scene in a forest with a campfire and anime-style characters. In the foreground, a campfire burns brightly. To the left, a character with spiky yellow hair and a white mask sits on the ground. In the center, a character in a yellow and white suit with a large head sits cross-legged. To the right, two characters sit on a log: one with blonde hair and a red vest, and another with blonde hair and a blue shirt reading a book. In the background, two green, alien-like figures sit on a rock. The scene is set in a forest with wooden houses, one of which has a sign that says "EMERGE!". The sky is dark blue with stars and a large, glowing blue nebula or comet tail in the background.
